About The Author

Heather Katsonga-Woodward is the founder of *NenoNatural.com*. She creates hair care products and blogs about kinky and curly hair. She grew from nothing to 250,000 Facebook fans and close to 30,000 email subscribers in 18 months by designing and implementing her own framework that she now calls “The Money Spot™.”

Heather has always been passionate and curious about the progress of women. Consequently, after the successful implementation of her framework on her own business, Heather decided to share it with other ambitious women by launching her program, *The Money Spot™ Model: How to Start & Grow a 6-Figure Hair, Makeup, Fashion or Craft Business*.

Previously, Heather was an investment banker at Goldman Sachs and HSBC. She resigned from the banking industry in 2012 to pursue her business interests full-time and to enjoy a more flexible lifestyle.

Heather lives in London with her husband, Harry. She maintains a hair and life video log (vlog) at [youtube.com/hkatsonga](https://www.youtube.com/hkatsonga).
